"I've dedicated my entire professional life to public service-as a criminal prosecutor and councilmember. I've never been afraid to fight for the most vulnerable citizens in our community, particularly our children and elderly. As your Assemblymember, I will fight for our district's fair share of education, public safety and transportation funding. I will make access to affordable health care a top priority. It's time for bold, new leadership in Sacramento with the experience to deliver for our local communities. I would be honored to have your support. Please join me."
